Executive Summary

PROFILE I am a self-motivated and passionate student pursuing a Bachelor of Science in Hospitality and Tourism Management. With a deep-rooted willpower and commitment to excellence in hospitality, I bring a versatile skill set that enhances my ability to thrive in dynamic, people-centered environments. My academic and practical experiences have equipped me with strong communication, interpersonal, and decision-making skills. I excel in welcoming and engaging with individuals from diverse backgrounds, managing guest experiences with professionalism, and planning and executing events with precision and warmth. I am deeply driven by the desire to uplift others, particularly those facing life's toughest challenges, and I believe in the power of hospitality as a tool for healing, comfort, and transformation. My goal is to create inclusive spaces where every guest feels valued and cared for. I am eager to contribute to the hospitality industry with compassion, creativity, and a commitment to delivering exceptional service.
